

LEADERSHIP SYMPOSIUM

DEVELOPED & PRESENTED BY SONNY MOYERS

DEVELOPING LEADERSHIP & MANAGEMENT SKILLS FOR THE FUTURE

What is a Symposium?

Sonny Moyers

M.S. - Psychology
B.S. - Management
REALTOR & Broker

"A meeting or a conference for discussion of a subject; a collection of opinions delivered or articles contributed by a number of persons on special topics."

The Leadership Symposium brings ten to twelve top managers and owners together with Sonny Moyers to explore leadership, management, organizational development, and TEAM building.

This six-hour content interactive workshop exposes attendees to ideas and solutions that will change their leadership and management style and increase their organizational effectiveness.

The workshop moderator, Sonny Moyers, facilitates and teaches, probes and provokes, leads and motivates. The attendees share ideas, opinions, successes, and failures...leading the group to open their minds about leadership and management. The course is open to all executives of various industries.

Topics Include:

- ◆ Introduction To Leadership & Management Concepts
- ◆ What Is Leadership & How Do We Develop Ourselves Into Leaders
- ◆ Personality Profiling - Recognizing Personality Types
- ◆ Defining Successful Leadership & Management
- ◆ Developing A Leadership Profile
- ◆ The Self-Development Outline - Looking Into The Mirror (Self-Actualization Concepts)
- ◆ Developing & Managing Subordinates To Develop Leadership Skills
- ◆ Communicating With Subordinates - Improve Organizational Effectiveness
